ABOUT DELTA...

Delta Corporate Services is a boutique company with 25 years of success providing temporary, temporary-to-permanent and permanent candidates across various industries. Our customers range from Top 100 companies to mid-sized and small companies. Our industry management experience benefits our customers with a strategic approach and expertise in problem solving. We consistently deliver high-quality candidates expediently to fill our clients' open requirements around the country. We take very seriously we are acting as a partner with our customers and treat each situation on an individual basis. Our goal is to provide the correct individual or service to ensure our client's satisfaction and success. We are a responsive personalized service and to us, you are an important customer.

Founded in 1991, Delta answers the challenges of your organization by supporting multiple geographies, service offerings, industry practices, and technology needs. Our commitment to quality and effectiveness extends to all engagements large or small. Delta's clients include large commercial businesses as well as various federal government agencies.

We have proven strength providing highly experienced candidates specific to client needs in various verticals. We specialize in Information Technology; Sales and Marketing; Operations and Manufacturing; Finance and Human Resources; and Customer Service and Support.

Delta recognizes that many organizations require solutions broader in scope than those provided by supplemental staffing organizations and more cost-effective than those offered by 'high-profile' consulting companies. We are designed to fill that niche. Our unique combination of business and industry expertise, management and technology resources, and flexibility in delivering our solutions makes us an extremely effective
