Delta Corporate Services

A Boutique Recruiting and Staffing Firm

Money doesn't GROW on trees!

As a small business that has been around for more than 25 years, Delta understands the challenges you are facing as a small or start-up business because we have been in your shoes. Whether you are struggling with cash flow limitations or the need to staff your company effectively and efficiently, we have an affordable NEW offer that will be especially helpful to a business like yours.

We can help reduce your recruiting costs and open up cash flow with our Recruiting as a Service (RaaS) offer.

Delta's Recruiting as a Service (RaaS) offer helps businesses budget recruiting costs while solving their staffing needs. A monthly retainer calculated based on *your* hiring needs and expectations, affords you the ability to retain Delta's experienced recruiting staff and services on a monthly basis. Delta will source and submit qualified candidates based on your requirements. Our successful recruiting process comes with more than 25 years of industry experience to support you.

For a low monthly fee, we can remove the time and stress involved with the hiring process and you can get back to running your business!
